Why use Once Credit?

- No deposit required
- Easy online application, no paperwork required
- Pay off purchases within the Interest Free* term and don't pay a cent of interest

How to take advantage of the Interest Free option

1. Select your preferred Device
2. Apply for Interest Free finance online
3. If approved, the documents are signed electronically by you
4. When your documents have been signed, Once Credit will notify ASI and goods can be released and will be delivered to your nominated delivery address

Device costs shown are for the Base Models as listed in **Products available - Under \$1,000.00 and **Products available - Premium Order** tables in the preceding pages above. Should Optional items be added, the Device Cost and subsequently the indicative Monthly Repayment will vary*

The repayments shown above are indicative repayments required to repay your purchase within the Interest Free term. To take advantage of the Interest Free Term, the indicative monthly repayments stated would need to be made by the due date for each statement commencing from the first month. **This monthly repayment excludes the \$99 Annual Fee, charged on the account open date and annually on the anniversary of the account open date. The Annual Fee needs to be paid in full within the 55 day Interest Free Term as part of the first repayment to avoid interest charges. Interest Free term has the meaning set out in the Once Credit Facility Conditions of Use
