Universities

Adelaide: Parents Information Seminar

Sunday 2 April 2017 @ North Terrace campus

This event is for parents and guardians of prospective students of The University of Adelaide.

<https://www.adelaide.edu.au/schools/events/>

Adelaide Year 12 Tuition Courses

The University of Adelaide offers school holiday courses for Year 12 students to help them prepare for exams, revise content, and gain confidence in a subject. You can find the program for the April school holidays on the website.

<https://www.adelaide.edu.au/pce/year-12-holiday-tuition-revision/>

Flinders University Student Experience

Find out what studying at Flinders University is like from these videos.

<https://www.youtube.com/playlist?list=PLF4BC28009B2F3DB1>

The University of Melbourne Virtual Fair

22 March 2017, 5pm – 8pm (AEDT)

23 March 2017, 9am – 12pm (AEDT)

This event will provide the opportunity to chat to university staff and find out about your tertiary options.

https://unimelb.6connex.com/event/recruitmentcenter/login?in_c=webtile_fshome|oa_im_2017_events_virtualfair_march

Careers Advisers: Flinders Schools' Professional Development Day

Save the date: Friday 30 June 2017. More information to come closer to the event.

<http://events.flinders.edu.au/show/event/schools-professional-development-day-1>

TAFE and Apprenticeships

Automotive Industry Career Resources

<http://www.aapathways.com.au/Career-Resources/Industry-Career-Information---Quizzes/Automotive-and-Boating---Service-and-Repair/Automotive-Industry/Career-Information>

How to ace an apprenticeship interview

This page provides information on what interviewers are looking for in an apprenticeship interview, including knowledge of the industry and English and Mathematics skills.

<https://www.miqas.com.au/news/apprenticeship-interviews-what-do-we-look-for/>

My Gain Videos

These videos, brought to you by Australian Apprenticeships Pathways, show the stories of people working as apprentices and trainees in a huge variety of fields.

<https://www.youtube.com/user/AAPathways/videos>

Private Colleges

Academy of Interactive Entertainment: Work Experience Program

The work experience program runs throughout the year and is open to students in Year 10, 11 and 12. Students will get the opportunity to do a range of activities such as 3D animation and programming.

<http://www.aie.edu.au/StudentInformation/workexp>

A Life Without Limits: Surveying Work Experience

Secondary school students can register their interest online to undertake work experience in surveying. On the website, you can also hear the experience of a past work experience student.

<http://www.alifewithoutlimits.com.au/student-work-experience/secondary-students/>

CG Spectrum College Online Courses

Saturday 4 March 2017: Game design

Saturday 11 March 2017: Fundamentals of animation

These short courses are perfect for people who are considering studying at CG Spectrum College or who want to study game design or animation in the future. Use the code FORHONOR to receive a discount on the Game Design course.

JMC: How to break into the arts and entertainment industries

This article from JMC Academy provides some great tips on how to break into these industries and others like them.

<http://www.jmcacademy.edu.au/news/how-to-break-into-the-arts-and-entertainment-indus>

Martin College

Martin College offers courses in Business, Marketing, Events, Tourism, Design and Technology. They have year-round intakes and offer online study options which students can start at any time.

<http://www.martin.edu.au/>

Other News

Code Masters Computer Programming Competition

The University of Melbourne runs the annual Code Masters competition. This is an open coding contest for high school students from across Australia and is held both on-campus and online on Thursday 16 March 2017.

schoolsengagement-engit@unimelb.edu.au

<http://www.eng.unimelb.edu.au/engage/schools/codemasters>

Cambridge Immerse, UK

Cambridge Immerse offers academic programs in the university environment, taught by Cambridge and Oxford tutors. Students aged 16–18 can attend. Registrations are open until 30 June 2017, but places are offered on a first come first served basis, so get in early!

<https://www.cambridgeimmerse.com/>

You can watch this video to find out about the Law program at Cambridge Immerse.

https://www.youtube.com/watch?v=UKy0AZbk_M0

Jobactive PaTH

This government program is designed to help young people gain employability skills. It provides them with work experience and provides help for host employers. The work experience can last for anywhere between 4 and 12 weeks. To find out more, follow the link below.

<https://www.employment.gov.au/jobactive-path>

Morrisby Online

Morrisby Online is a comprehensive online career assessment. The assessment takes 1 hour and 40 minutes and can help secondary students with career decision making. For more information, visit:

<http://www.morrisbyonline.com.au/>

OzCLO: Australian Computational and Linguistics Olympiad

This contest for high school students in Years 9 – 12 involves problem solving using real languages. Registration is now open. There are a number of online resources to help you prepare for the competition.

Round 1: Wednesday 8 March 2017 & Round 2: Wednesday 29 March 2017

Registration deadline for round 1: 6pm on 6 March 2017. For more information visit:

<http://ozclo.org.au/>

Smartphone Apps to Help with Studying

<http://blog.aias.com.au/index.php/study/making-technology-work-for-you-effective-apps-for-smart-study/>

SpotJobs

Spotjobs.com is Australia's fastest growing online job board, focusing on permanent and flexible employment opportunities. Jobseekers can search and filter jobs by location & working conditions.

Check out the website to learn more: <https://www.spotjobs.com/>

Struggling with Physics this semester?

Crash Course Physics provides videos spanning all topics of Physics studied throughout Years 11 & 12. If you are struggling with a concept see if Crash Course can help.

https://www.youtube.com/watch?v=ZM8ECpBuQYE&list=PL8dPuuaLjXtN0qe7yDk_UA0ldZJdhwkoV

The Footnotes

The Footnotes is a website providing life tips and career advice to people considering what they want to do once high school finishes. The articles come from young people who have been there themselves not so long ago. There is advice on jobs, university, saving money, travel, and more.
<http://thefootnotes.com.au/>

The Kids are All Right Website

This website publishes helpful and informative articles to help parents and teachers deal with prominent issues affecting the wellbeing of teenagers. Issues that are addressed include physical and mental health, relationships, drugs and alcohol.
<http://www.thekidsareallright.com.au/>

Women in Science Symposium

3 March 2017, 9.30am to 4pm

This event is in Sydney, but will be streamed on YouTube for those unable to attend. It is aimed at girls in high school who are interested in science. Students will hear from speakers working in a variety of fields and find out about the possibilities for careers in science.

<http://www.anmm.gov.au/womeninscience>
