27 July 2021

Dear parent/caregiver,

Today the Premier announced that schools, preschools and children's centres will reopen to all students tomorrow (Wednesday 28 July). As a result, our school will be open.

If your child is impacted by a SA Health quarantine order, they need to work independently on the work set by the subject teacher as per the instructions in Daymap. If they have any questions about their work, they should forward them to the subject teacher via email.

As the Chief Public Health Officer said, just because the hard lockdown is being lifted does not mean that the risks associated with COVID-19 have passed.

As a result, we will:

- minimise the number of people coming and going from our site. Wherever possible, please drop and collect your child whilst maintaining the appropriate physical distance from other adults
- postpone all school events, excursions and camps for the next week
- require all staff and students to wear masks when indoors, on public transport or on school buses. Please note that staff will not have to wear masks while teaching or working directly with students.

Students can wear their own cloth masks. We also have supplies of surgical masks available if they need them.

Your child might have questions about wearing masks. It's important we continue to follow SA Health advice and your continued cooperation is greatly appreciated as we help students and staff with this necessary change.

Changes to School Events

The restrictions announced today require us to make adjustments to the **Subject Counselling Parent Information Evening** scheduled to occur in the DRMC tomorrow evening (28 July). We have rescheduled the event and it will now take place as an online live stream on Wednesday 4 August:

- **Year 8 and 9 families** – live stream from 6pm – 7pm. To register for this event please click [here](#).
- **Year 10 and 11 families** – live stream from 7.15pm – 8.15pm. To register for this event please click [here](#)

There will be a facility for families to submit questions to the presenters on the night.

Attached to this email is an updated version of the Term 3 calendar.

Thank you very much for your support during the lockdown. We look forward to having your child back at school tomorrow.

Regards,

Peter Kuss, Principal
