

How to Select Your Pathway and Your Pathway Subjects

1. CONSIDER

- Aspirations – your future, career plans, your education
- Your capabilities and interests
- Your achievements at school so far
- Information available to you about your choices (from teachers, parents, Wellbeing Leaders, etc.)
- Attending the Pathway Information Night throughout Term 3
- Personal Learning Plan investigations

2. READ AND UNDERSTAND

- The courses available
- Organisation of the school curriculum – choices, pattern, course descriptors
- The line structure and availability of courses
- How subjects connect to future options
- SACE requirements for Senior School
- Pre-requisites or recommended subjects for further study/training/employment

3. DO

- Fill in your course selection form
- Attend your course counselling confirmation day with a parent/caregiver
- Finalise your choices

SOME SOURCES OF INFORMATION

You can get information to help with your course choices from the following:

- School reports
- Subject teachers (and subject teachers' recommendations)
- Homegroup teachers
