PATHWAYS PLANNING

While students are entering year 9 in 2024 and pathways decisions are in many cases far from a young person's thoughts, it is a good opportunity to look at the **learner disposition, personal strengths, passions, academic results and effort** in thinking ahead about the future. This might be a useful planning tool and conversation starter for your next learning conversation with your Grove teacher.

List 3 of your <u>passions</u> or <u>interests</u> :	List 3 of your <u>personal strengths</u> that would benefit you in the workplace:

Additional Subject Considerations

- ✓ Language and Music are both full year subjects. Both semesters must be chosen.
- ✓ Students can only study a maximum of 2 choice subjects from any one curriculum area.
- ✓ Special Interest – Dance students do not need to select a Health and Physical Education subject or a Technologies subject. They must select four semesters of Special Interest – Dance.
- ✓ Students interested in studying Peer Support Pre must also submit a written application using
