INSTRUCTIONS

- ✓ All students study 7 subjects in each semester; a total of 14 subjects for the year.
- ☐ Students need to select **one subject from each line in both semesters. Making 14 selections in total** from the Year 10 Subject Selection Grid.
- ☐ Students **MUST** select an English for 2 semesters on the same line throughout the year. A recommendation has been made on DayMap for the most appropriate English level to select.
- ☐ Students **MUST** select a Mathematics for 2 semesters on the same line throughout the year. A recommendation has been made on DayMap for the most appropriate Maths level to select.
- ☐ Students **MUST** select Science for 2 semesters on the same line throughout the year.
- ☐ Students **MUST** select PLP and History for 1 semester each in either semester.
- ☐ Students **MUST** select a Health and Physical Education (Sport or Lifestyle) in either semester. Physical Education can be chosen as an additional elective but only in the other semester.
- ☐ **Students then select 5 elective semesters of classes they wish to study.**
- ☐ If selecting a subject listed with (year) you must select it for Semester 1 and 2.
- ☐ If selecting a subject listed with (semester) you can only choose this subject once in either semester.
- ☐ All other subjects can be chosen in either semester 1 or semester 2 or for a full year.
- ☐ Students are reminded they can only choose a maximum of 3 subjects from any one curriculum area.
- ☐ Students are required to select **two additional next preference subjects** which MAY be used if another subject choice cannot be allocated.
- ☐ When you have completed this document, enter your chosen subjects into Web Preferences.

Additional Subject Considerations
